

April 16, 2026

Dear Friends and Benefactors,

On behalf of the Board of Trustees, I am pleased to announce that Mira Berzofsky will join Interfaith Caregivers of Greater Mercer County as our new Executive Director, effective Monday, April 20, 2026. In this role, she will lead the organization's mission to promote independence and dignity for seniors and adults with disabilities living at home.

Mira is a resident of Mercer County with over 20 years of leadership experience. She holds an MBA in Healthcare Management and brings decades of experience working within faith-based and community-based organizations, most recently facilitating creation of a system of support services for maternal child health. Mira's highest priorities will include building community partnerships and nurturing relationships with volunteer caregivers, ensuring that every care recipient receives the support they need. As a steadfast advocate for health equity, she will be focused on building upon ICGMC's 30-year foundation of success in combatting isolation and fostering extensive community connections.

Mira resides in Pennington with her spouse, their seven-year-old, and two dogs, while her 22-year-old child attends Rutgers University. Mira is deeply involved in her local community, facilitating a monthly women's spirituality group and a parent committee at her synagogue, and volunteering at her daughter's school.

Please join the Board of Trustees in welcoming Mira to Interfaith Caregivers and in extending our enthusiastic support for her success as an assiduous champion of those most vulnerable in our community.

Respectfully yours,
