

YOU'RE INVITED TO THE

2026 Care2Caregiver Annual Conference

Remembering *Who I Am*

Honoring Identity Through the Caregiver Journey

When we care for someone with dementia, our roles, routines, relationships, priorities, and sense of self can change.

Caregiving can change many things—but it does not erase who you are.

This National Family Caregivers Month, we pause to honor who we have been, recognize who we are today, and make room for who we are becoming.

REFLECT

Make space for who you are today—
and who you are becoming.

CONNECT

Meet the Care2Caregivers team
